Activities

Include a brief summary of the proposed activities participants will undertake in the discussion, including some questions for discussion.

Target Audience

Explain who should attend this roundtable and outline any background knowledge required from participants.

Follow-Ups, if any

Are there any activities that is already envisioned for a follow-up from the roundtable, e.g. what participants are expected to do after ISATE 2025?

Resources Needed

The organizer will try as much as possible to provide the resources requested. Please be as detailed as possible. The organizer will contact the Lead Facilitator via the email address provided if clarification is needed.
